Philadelphia, March 20.—Jack O'Brien of this city touight outpointed Joe Choynski in a six-round bout at the Washington Sporting club. Choynski was no match for O'Brien, whose failure to score a knockout was due to lack of force behind his blows. Choynski started well but appeared to lose heart under O'Brien's unceasing rain of left hand jabs. From the second until the last round Choynski's only object seemed to be to stay the limit. The third and fourth rounds were particularly tame and the referee warned the men. In the sixth round O'Brien was more aggressive and subjected his oponemt to a serve drubbing, but his jabs and punches lacked the power to put Choynski out.

Jimmy Flynn Heard From.

Tommy Jacobs yesterday received a letter from Jimmy Flynn in which the former Sait Laker says he has a match to take place this evening at the Rover Wheel club in Pueblo. His antagonist will be "Cyclone" Kelley, who recently fought Tommy Ryan at Hot Springs. Ark. Flym received a bad injury in his first appearance in the ring since that time. He also writes Jacobs that he will go to Butte after the contest this evening and see if he can get on a match with some of the best men up there in his class.

Gibbs-Duffy Match Postponed.

Bidderot Wins Selling As—Well played horses took the money at Oakland to day, three of them being favorites. The track was sloppy but good weather prevailed. Orsina was a heavily placed favorite in the mile race but was interfered with and did not appear to like the going. She finished outside the money, Grall winning from Nigrette and Forest King. Diderot winner of the last race, was bid up form \$500 to \$1,000 by Charles McCafferty, but J. P. Atkin retained him. Mr. Furnum was caught in a jam soon after the start in the former Sait Laker says he has a match to favorite in the mile race with and did not appear to like the going. Gibbs-Duffy Match Postponed.

The hout was to have been pulled off at Butte on April 15, but the Cleveland fighter asked for a postponement of the date after his go with Jerry McCarthy. International Chess Match Goes to England.

England.

The annual international cable match between the university students of Great Britain and the United States came to an end Saturday night, but no definite announcement of the result was made. Two unfinished games on boards four and six were submitted to the adjudication of Referee R. N. Pillsbury by the English players who had to return to their homes. Mr. Pillsbury eventually decided after playing the game on board four that the Americans had won. This made the score even. The American then experimented with the game on board six between Bridgeman of Harvard and Brown of Cambridge, but at midnight he decided that he could not adjudicate this game, which decided the contest, until Sunday or Monday.

Logan, March 30.—In the basket ball contest here tonight between the teams of the Colorado university and the Brigham Young college, the latter aggregation came out victorious by the narrow margin of one point, the score being seven to six. The game was by far the prettiest ever seen here, being free from all disputes or trouble, not a single decision of officials being questioned by either side. The play was 'ast from start to finish, so fast in fact that Referee Bassett did quite as much work as most of the players. All of the officials satisfied everybody, the visiting team having no complaint whatever, admitting that it was fairly defeated and that the B. Y. C. played a faster and better game than any of the other teams they have met.

The first half ended with the score of 6 to 4 in favor of the home team, both sides having dropped two field baskets. Court.
